---

## **Virtex-II Pro FPGAs**

### **[Virtex-II Pro: AFX Prototyping Board \(pn0010679.pdf\)](#)**

Make Virtex-II Pro Development Easy (109.9KB), 2pages

### **[Virtex-II Pro: The Platform for Programmable Systems \(pn0010631.pdf\)](#)**

Benefits and Features of the Virtex-II Pro Platform FPGA Family (3.1M), 4 pages

---

---

## **Spartan Series FPGAs**

### **[Spartan-II E: The Worlds Lowest Cost FPGAs \(pn0010680.pdf\)](#)**

The lowest cost per I/O of any programmable solution (661.1KB), 2 pages

### **[Spartan-II E FPGAs: The Gateway to Consumer Digital Convergence \(pn0010572.pdf\)](#)**

Your Key to Total Cost Management (4.3 MB), 4 pages

### **[Spartan-II E FPGAs For Consumer Digital Convergence Applications \(pn0010580.pdf\)](#)**

Spartan-II E FPGA System Solutions Overview (680 KB), 4 pages

### **[Spartan Families \(pn0010450.pdf\)](#)**

High Volume Package Solutions Guide (215 KB), 2 pages

### **[eSP: Meeting the BlueTooth Challenge \(pn0010566.pdf\)](#)**

Xilinx Emerging Standards and Protocols (eSP) Web Portal for BlueTooth specifications. (515 KB), 2 pages

### **[eSP: From Picture to Pixel \(pn0010602.pdf\)](#)**

Xilinx Provides the Complete Solution for Digital Video Technology (375 KB), 2 pages

---

---

## **Configuration PROMs**

### **[Xilinx Configuration PROMs \(pn0010489\)](#)**

XC18V00, XC17V00, XC17S00 FPGA Configuration PROMs (410 KB), 2 pages

---

---

## **Configuration Hardware**

### **[MultiLINX: Download Cable Solutions from Xilinx \(pn0010475.pdf\)](#)**

MultiLINX and Parallel Cable IV Overview (170 KB), 2 pages

---

---

## CoolRunner-II CPLDs

### [CoolRunner-II: Reference Designs \(pn0010678.pdf\)](#)

Faster Designs Free (531.9KB), 2 pages

### [CoolRunner-II: RealDigital CPLDs Brochure\(pn0010620.pdf\)](#)

Complete CoolRunner-II Overview (1.8 MB), 6 pages

### [CoolRunner-II: RealDigital CPLDs \(pn0010619.pdf\)](#)

The Xilinx high performance and ultra low power consumption solution with no compromises. (650 KB), 2 pages

---

---

## XC9500XL/XV CPLDs

### [XC9500XL and XC9500XV CPLD Families \(pn0010570.pdf\)](#)

XC9500XL/XV Family Overview and Ideal Applications (775 KB), 2 pages

---

---

## Automotive IQ Products

### [Xilinx IQ Solutions \(pn0010650.pdf\)](#)

Architecturing Automotive Intelligence (625 KB)m 8 pages

---

---

## Global Services

### [Education Services: Designing for Performance pn0010660.pdf\)](#)

Learn How to Create Excellent Designs (554.0KB), 2 pages

### [Support.xilinx.com \(pn0010653.pdf\)](#)

Support That Clicks (515.1KB), 1page

### [Support Services: Titanium Technical Services \(pn0010667.pdf\)](#)

It's All About Efficiency (522.6KB), 2 pages

### [Xilinx Global Services: MySupport.xilinx.com \(pn0001659.pdf\)](#)

Personalized Technical Support (835.8KB), 2 pages

### [Support.Xilinx.com \(pn0010486.pdf\)](#)

Xilinx Support Website online resource guide. (1.6M), 4 pages

### [Global Services Finish Faster \(pn0010507.pdf\)](#)

Xilinx Global Services overview and resource guide (1.9M), 4 pages

### [Platinum Technical Services: Get To Market Faster \(pn0010555.pdf\)](#)

Comprehensive overview of the Xilinx Platinum Technical Services from the Global Services Division (1.7M), 4 pages

### [Education Services: Maximize Your Productivity \(pn0010556.pdf\)](#)

Comprehensive overview of the Xilinx Education Services, from the Global Services Division (2.1M), 6 pages

### [Design Services: Accelerate Your Productivity \(pn0010583.pdf\)](#)

Comprehensive overview of the Xilinx Design Services, from the Global Services Division (2.3M), 4 pages

### [Education Services: Course Overview Fall 2002 \(pn0010648.pdf\)](#)

Comprehensive overview of the Xilinx Education Services Course Listing from the Global Services Division (322 KB) 2 pages

---

---

## Intellectual Properties

### [RealPCI Express \(pn0010654.pdf\)](#)

RealPCI Express Core (109.9KB), 2 pages

### [LogicCORE \(pn0010640.pdf\)](#)

SPI-4.2 (POS-PHY Level 4) Cores (109.9KB), 2 pages

---

---

## DSP

### [System Generator for DSP \(kpn0010676.pdf\)](#)

A Powerful High-level DSP Modeling Environment (571.1KB), 2 pages

### [XTreme DSP Development Kit \(pn0010645.pdf\)](#)

It's Everything You Need, Right Now (343.5KB), 2 pages

---

---

## Software

### [ISE5: Xilinx is the Language of Design \(pn0010665.pdf\)](#)

Xilinx Integrated Software Environment (ISE) Logic Development Systems (1.26M), 2 pages

### [ChipScope Pro \(pn0010691.pdf\)](#)

Lower Project Costs with Fast and Easy Design Debugging and Verification (355KB), 2 pages
